

Attention Parents/Guardians with Children Attending Hartford and/or Souers Middle Schools.

Since Hartford and Souers are in “School Improvement” and there are no school choice options for the students attending these middle schools during 2006-2007, they will be provided the option of free tutoring. According to the No Child Left Behind regulations, these services are available on a limited basis. Please contact Patricia Rohrer at (330) 438-2654 to determine if your child is eligible. Thank you.
