Accidents happen! When they happen to your child, someone must pay the bills.

Here are Accident only insurance plans to help cover your child either 24 hours a day (24-Hour Plan) or while in school (School-Time Plan).

These plans provide benefits to help meet the cost of medical and Hospital expense.

If you have other insurance, these plans can help offset the deductibles and coinsurance for those plans.

If you have no other insurance, these plans will provide basic coverage.

Any benefits payable by the Policy as a result of medical, surgical, dental, Hospital or nursing service will be paid directly to the Hospital or person rendering such service unless proof of payment in full is provided.
