IMPORTANT BUS INFORMATION AND RULES

---

Stops are established according to State law and regulations and are approved by the Board of Education.

- For the safety of the students, it must be the same stop 5 days a week.
- No law requires a parent to see a bus stop from home. Students in Ohio may be assigned to a bus stop up to one-half mile from their home.
- Our responsibility for the safety of your child ends when we drop the child off at the designated stop. You and your child should have an alternate plan in place if you cannot be at the stop to meet them.
- Your child should be Outside at the bus stop 5 minutes prior to the estimated arrival time.
- Parents may accompany students to the stop in the morning and meet the bus in the afternoon. Please arrive 5 minutes before the bus is scheduled.
- Please dress students appropriately for the weather conditions.
- Students are assigned to the closest group stop in the morning and the afternoon.
- Safety of the students is the first concern of the driver. Students must obey the driver’s instructions at all times.
- Do not push, yell or throw items while at the bus stop or on the bus.
- Keep the aisles clear, stay seated and use your inside voice.
- Cell phone use is not allowed on the school bus.
- Any large items must be able to be held on your child’s lap.
