

Student Bill of Rights and Responsibilities

Our Rights and Responsibilities work together. If we want to be able to do the things we enjoy, we have to obey the rules.

All children have the Right to:

- Be able to pay attention and learn
- Feel safe at school
- Be treated with kindness and respect
- Learn good work habits and follow directions
- A safe building and playground

All children have the Responsibility to:

- Let our classmates learn without distracting them
- Tell the teacher if something bad happens
- Show respect and consideration for my classmates
- Follow directions and learn good work habits
- Respect school property and leave the school better than we found it
