Seniors will receive an email invitation to sign up for an appointment time after it has been determined that the student has met all of the graduation requirements. May 11th and 12th will only be open to those students that have already paid for their cap and gown and completed all graduation requirements.

Students: Specific instructions will be included with your email invitation - please read those instructions very carefully.

*You will make the filming appointment described below on-site when you pick up your cap and gown.

Students will come to the downtown campus to pay any fees, turn in their iPad and hotspot, and pick up their cap and gown. If you still need to purchase a cap and gown, you must bring $23 cash. All materials must be turned in and all fees paid in order to receive cap and gown. *Only one adult will be allowed to enter the building with the student.

Only students who have made an appointment will be allowed to enter the building and take care of these important tasks.

Students: At the end of your pick up and drop off appointment, you will be eligible to sign up for a filming appointment. The filming appointment will take place at Umstattd Hall. You will have your name called, walk across the stage, and have your picture taken. No more than four immediate family members will be allowed to enter the building with you. The virtual graduation video will be provided to all students and posted on CCS Facebook for the watch party on June 10, 2020 at 7pm. Join the celebration using this link: mckgraduation.ccstv11.com
